

Where Can YOU and Your Office get
Money \$\$\$ Back for Every Food Delivery to Your Office?

Wander Inn Restaurant & Catering
2880 Grand Avenue, Baldwin, NY 11510
www.WanderInnBaldwin.com

Whether you pay for it or a Pharmaceutical Rep has it delivered

All you have to do is tell them to order it from us!

Dear Office Manager,

My name is Michael Leake and I own The Wander Inn here in Baldwin. We deliver a lot of lunches to offices just like yours, courtesy of local pharmaceutical reps.

In fact, maybe your office has experienced our famous Shrimp & Broccoli Scampi, Grilled Chicken Caesar Salad or Assorted Wrap Platters. If not, you'll want to make sure the pharmaceutical reps that visit you treat you to some of our food.

We at The Wander Inn are starting a new program for pharmaceutical reps to give them a little more bang for their budget. It's our Pharmaceutical Rep Club and they will receive discount on their purchases and we **GUARANTEE IT WILL BE THERE ON TIME OR IT'S FREE!**

Michael, That's great for the pharmaceutical reps, but what's in it for our office?

I was getting to that. It is actually two-fold, while we were putting the program together for the reps we thought how do we reward the Doctor's Office who often suggest getting the food from us? Also, the Doctor's Offices could benefit by putting us in contact with the reps.

We asked that question...

What does it take to be able to reward those that take care of us?

WHAM! Amazing Rewards was born. We have put together a program that gives back 5% of all orders to each doctor's office that we deliver to. All you have to do is tell them to order it from us! It is that simple. Once we have you set up as a member of our Amazing Rewards Frequent Diner Club, which is FREE, we automatically credit your office with points for each dollar spent in food deliveries, regardless of who pays – you or a pharmaceutical rep. Each dollar spent is equal to one point. WE do all the work and when you hit 200 points we send you a \$10 Gift Certificate to use any way you like and we keep sending them every time you hit 200 points. You can use the certificates yourself, for future catering or you can even save them all up and throw a big office

**OVER.
PLEASE** →

party...It's up to you it's your money! Other benefits include: **FREE birthday meals** for you, your family or the whole office and lots of other discounts and freebies.

The other way to get MONEY \$\$\$ back is to help us build our Pharmaceutical Rep Program. The Yellow Pages does not have a listing for all of the pharmaceutical reps in town. A friend of mine came up with the idea of approaching office managers of doctor's offices to get the names. I understand you keep their cards on file in case you need extra samples or have any questions.

I would like to give you \$5 in Gift Certificates at the Wander Inn for every pharmaceutical rep business card you copy for me. You can copy 5-10 on a sheet or I'd be happy to come down and hand write the info. So if you have 50 cards, I'll mail you a \$250 Gift Certificate. You could treat the folks in your office, use it for an office party or gift it to a favorite patient that refers you business – your choice. Rest assured, the info is used only by our restaurant to educate your reps about the rebate club.

Because of the generosity of this offer, I am limiting both programs to the first 10 doctor's offices that respond.

I have created a simple fax-back reply form attached to this letter for you to let me know you're interested in free Gift Certificates from our restaurant. Please fill it out now while it's on your mind and fax it back to me at 516.546.0733 and I'll call you back to work out the details. Or if you'd prefer, you can go ahead and copy the Reps Business cards – and fax them back with the sheet and I'll send you Gift Certificates now.

Looking forward to sending you more dollars...of The Wander Inn food that is!

Sincerely,

Michael J. Leake
